TDM Professional Certification - Provide Feedback

Provide key input into the creation of a new TDM Professional certification. The Association for Commuter Transportation (ACT) with assistance from Schroeder Measurement Technologies (SMT), is conducting a job analysis study to explore the feasibility of a certification examination and to provide the framework for future TDM Professional examinations.

As a professional in the TDM field, your responses are valued and essential. We ask that you set aside 15-20 minutes of your time before **August 18, 2017** to complete the online survey. You do not need to be a member of ACT to complete the survey. All information will remain confidential.

Prizes: After completing the survey, you can submit your contact information to be entered into a random drawing to win one of four \$100 Amazon gift cards or a complimentary registration to the ACT's TDM Forum (October 17-18, 2017).

Survey Directions:

- When you are ready to log into the survey, please visit:
<http://www.smttest.com/JobAnalysis/forms/survey.aspx?surid=70>
- E-mail Joe Celeste at jceleste@smttest.com if you have any technical questions or Aaron Fodge at Aaron.Fodge@colostate.edu for all other questions.

The ACT Board of Directors appreciates your participation in this survey and your commitment to TDM. By participating in the survey, you have contributed to the growth and development of the TDM profession.

Public Policy: The Transit Benefit will be eliminated... unless we ACT now!

Congress is considering major changes to the tax code and could very well eliminate the transit portion of the commuter benefit. Your action is needed now!

Three things you can do to help protect the Transit Benefit:

1. Help ACT Get Employers to our Sign Support Letter

We need your help. Please reach out to major employers you work with, have contacts or can reach out to. We are looking for large employers with regional or national footprints. The link to the letter can be found [here](#).

What you can do to help:

- Reach out to employers, share the letter, and have them contact Jason Pavluchuk, ACT's Government Affairs Director (Pavluchuk@actweb.org)
- Send any employer contacts you can to Jason (Pavluchuk@actweb.org) so that we may reach out to them

2. Contact Your Member of Congress . . . Here's How

ACT, along with other members of the Commuter Benefits Work for Us coalition have started a grassroots campaign. We need your signature, the signature of your members, the signature of your employees, and anyone else. Click Here for a link to the petition. Also, if you want to add a
